

Authenticity Certificate

Warsaw, 05-06-2020

I hereby certify that the work pictured above is titled

Filip's heel (neon sign for Kunsthalle Bar)

40 X 30 X 6,5 CM

Red neon sign with transformer

Edition of 5 + 1 AP

ED. 1/5

2020

The work purchased is a reproduction of this neon sign, which was installed in September-October 2019 in the Kunsthalle Basel Bar for the opening of the exhibition *Such Feeling*.

The neon is to be lit during social gatherings and in the presence of someone wearing high heels. Each time the neon is switched on, one person should open the closest window or door to the outside and call the name "Lula" loudly, once, as if calling out for someone who is far away, to come into the venue. Please do not display this certificate.
